

# ADULT SUMMER READING

June 5—July 27 2019

Adults need to read too! You're never too old to learn by reading and expanding your mind, so consider this your incentive!

There are **3 WAYS** to get entries into our prize drawings:

**SET A READING GOAL:** How many books do you plan to read this summer? Fill out an entry slip and let us know!

**READ A BOOK:** On paper, on a screen or by listening to an audiobook! Fill out one slip for each book you read this summer.

**READ TO A CHILD:** Help pass on the love of reading to the next generation! Read to a child and get an entry into the drawings.

**BEST PART—You choose your prize!**

Put your entry slips into the jar for the prize you want. Enter one or all!
